FENCE QUESTIONNAIRE

13. Do you think that different kinds of fencing should be allowed on different parts of a property or be more consistent?

14. Do you think that existing non-conforming fencing (such as solid fencing or fences located too close to roads, or too tall, or chain link located too close to a road) – should be made to conform?

A. If no, why?

B. If yes, how long before the fence is required to comply?

C. Should there be any extenuating circumstances to allow non-complying fences to continue in use? If so, what might those be?

15. Do you have any thoughts about the impact of fencing on wildlife in Woodsjide, specifically deer?

16. Do you know what fencing is wildlife friendly? Would you like more information?
